

Data Science Collaborative Info Night

Take a seat! We'll be starting at 7:10 PM

• • • •

Meet the Staff!

Executive Board

Cyrus Navasca

President

4th Year - Statistics & Data
Science + Math

Fun fact: Lost sense of smell after
Covid 😢

Owen Feng

Vice President

4th Year - Statistics & Data Science
Fun fact: Was on the jumbotron in
the 4th quarter of a Lakers game 🎥

Executive Board

Shashin Gupta

Treasurer

3rd Year - Statistics & Data
Science + Economics

Fun fact: Name means "photo"
in Japanese 

Prisha Bobde

Secretary

3rd Year - Statistics & Data
Science + Computer Science

Fun fact: Pet a capybara at
UCSB 

Outreach Committee

Evan Jamison
Outreach Chair

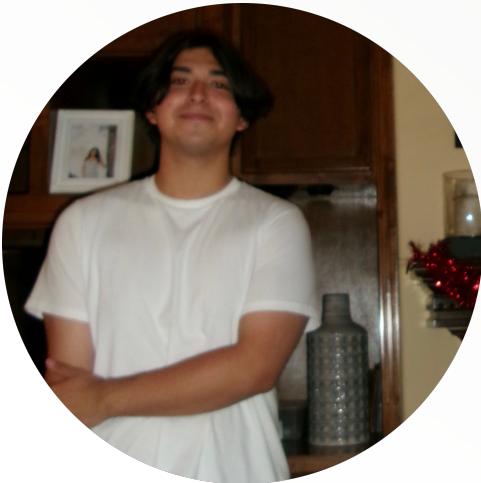

3rd Year – Statistics & Data Science
Fun fact: Has over 3k hours in
Rocket League 🎮

Christopher Santiago
Outreach Officer

3rd Year – Statistics & Data
Science
Fun fact: Loves Rubix cubes 🧩

Events Committee

Raymond Vargas

Events Chair

3rd Year – History

Fun fact: Is a sl*t for citrus

Heidi Weng

Events Officer

Joyce De Quiros
Graphic Designer

2nd Year – Statistics & Data
Science

Fun fact: Favorite word to say is tokneneng 

What is DSCollab?

- Beginner-friendly access to applicable data science and programming skills regardless of skill level or major
- Welcoming environment for members from any background to network and learn about the field
- Guidance for members to make their own data science project and present at our end-of-year showcase!

Data 4 Dummies Series

DSCollab's workshop series which will cover topics in Data Science/Analytics

- Tailored for beginners, no coding experience is needed!
 - Hands-on practice with sample datasets

DATA
FOR
DUMMIES[®]

Data 4 Dummies Series

(Week 2) Thursday 10/9: Intro to Python & Data

📍 Chemistry Building #1171

(Week 4) Tuesday 10/21: Data Analysis in NumPy and Pandas

(Week 6) Tuesday 11/4: Data Visualization

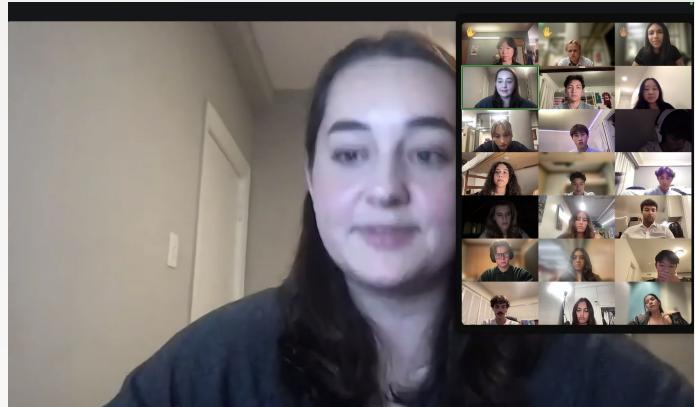

(Week 8) Tuesday 11/18: Data Cleaning

**All workshops start at 7pm!
Locations are TBD**

Study Jam

Remote Speaker Event

Trip to AppFolio

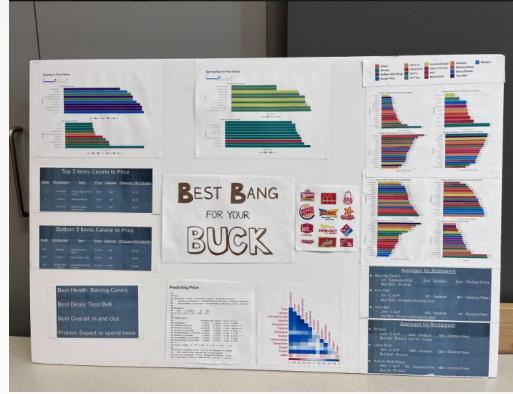

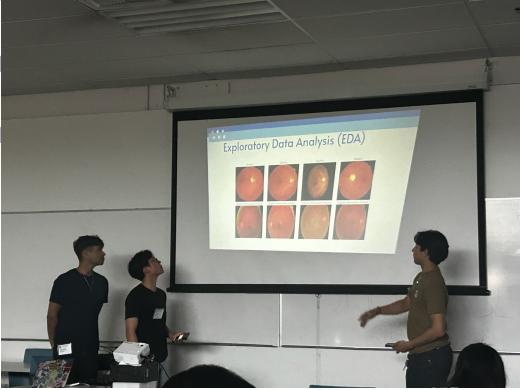

Project Showcase

Members will be guided through building their very own data science projects!

- Industry professionals, recruiters and UCSB professors will be in attendance
- Opportunity to further develop your data science skills
- Great for your resume

Project Showcase

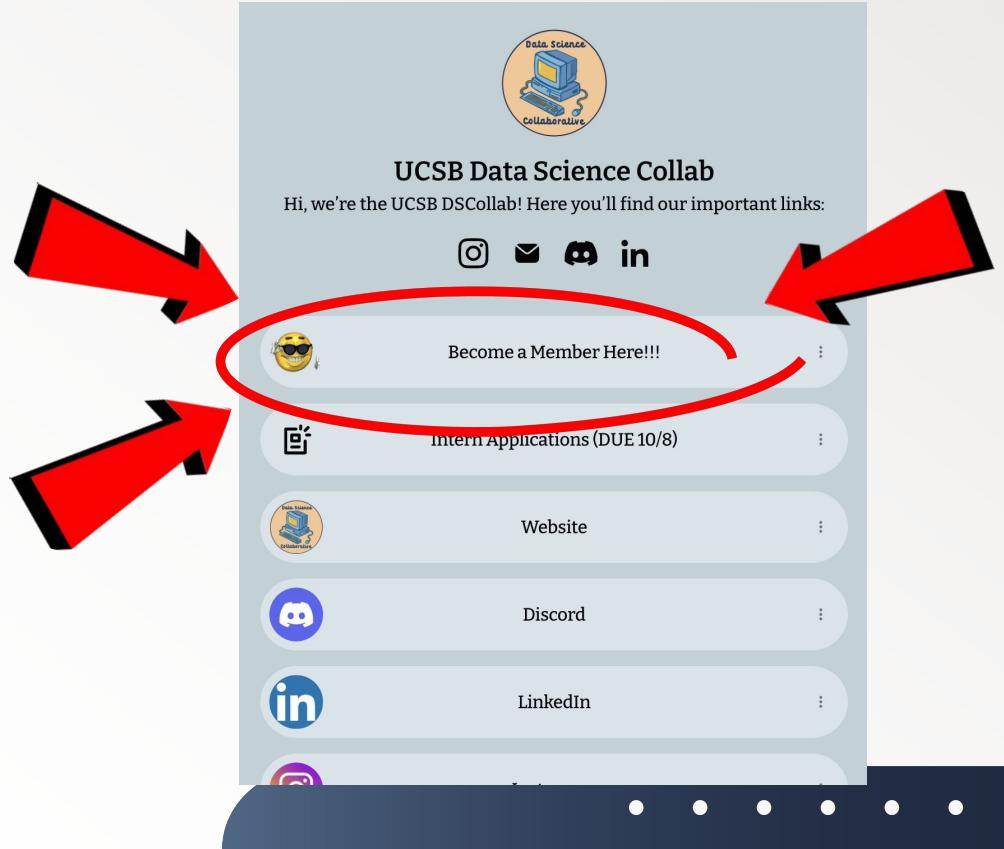

What's In It For You?

- Accessible knowledge to skills that will make you competitive in the internship/job market
- Welcoming environment for beginners and non-majors to learn and network
- Opportunity to build resume through Project Showcase and career workshops
 - Completely free to join!!!

Important Links

The image shows a mobile-style landing page for the UCSB Data Science Collaborative. At the top is a circular logo featuring a computer monitor and the text "Data Science Collaborative". Below the logo, the title "UCSB Data Science Collab" is displayed in bold. A subtext reads: "Hi, we're the UCSB DSCollab! Here you'll find our important links:". Below this, there are social media icons for Instagram, Email, GitHub, and LinkedIn. A prominent red arrow points from the bottom left towards a call-to-action button labeled "Become a Member Here!!!". Another red arrow points from the bottom right towards the LinkedIn icon. A third red arrow points upwards from the bottom center towards the "Website" link. A red circle highlights the "Become a Member Here!!!". The page lists several links with corresponding icons:

- Website (with a computer icon)
- Discord (with a Discord icon)
- LinkedIn (with a LinkedIn icon)
- Instagram (with an Instagram icon)
- Email (with an envelope icon)
- GitHub (with a GitHub icon)
- Intern Applications (DUE 10/8) (with a document icon)

Apply to be an Intern!

Open Positions:

- Events Planning Intern
- Outreach Intern
- Media Intern
- Finance Intern

Deadline extended to Saturday 10/11

Speed Dating Activity!

You all will make groups of 3-4 and be placed with a staff member, after 1 minute you will rotate

- Name
- Year
- Major
- Icebreaker: Would you rather always sound like you're crying, or always look like you just woke up
